## **DETAILED ACTION**

### ***Response to Amendment and Remarks***

Applicant's arguments, see amendment, filed 7/11/2005, with respect to Office Action mailed 5/3/2005 have been fully considered and are persuasive. The USC 102(a) rejection of claims 1,2,9,15 and 16 as being anticipated by Maiden has been withdrawn. The USC 103(a) rejection of claims 1,4-6, 13,15, 16, 19 and 27 as being obvious in view of Hanley has been withdrawn. The USC 103(a) rejection of claims 7, 8 and 21 as being obvious in view of Hanley in view of Vanderschuit has been withdrawn. Applicant has canceled claim 1 and all claims previously dependent on claim 1 have been amended to depend from amended claim 4.

### ***Allowable Subject Matter***

The following is an examiner's statement of reasons for allowance: Claim 4 has been amended to be independent with the limitations of claim 1, " a portable housing having substantially the same predetermined shape, a plurality of opening on said housing, a plurality of UV LEDs, one UV LED in each opening facing outwardly from said opening". The art of record, Hanley, does not disclose, teach or suggest the aforementioned limitations in his HEADGEAR WITH FORWARD ILLUMINATION. Also upon reconsideration, the similar limitations of a portable housing, a plurality of opening on said housing, a first set of a plurality of UV LEDs, one UV LED of said first set of a plurality of UV LEDs in each opening facing outwardly from said opening in independent claim 27 are not disclosed or taught in the art of record.

Claims 5-9, 13, 15, 16 and 19 depend from claim 4 and are allowable for the same reasons.

Claims 3,10-12,14,18,20,22,23 and 28-33 were indicated as allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims. These aforementioned claim have been amended to independent form. Claims 11-12,14,32 and 33 depend from these claims and are also allowable. Claims 24-26 were allowed in previous Office Action.

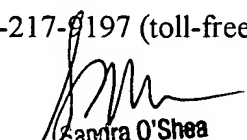

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
